Credentials

Joyce has been a natural living researcher since 2012. She has blogged on the topic since 2012 in January 2014 she became a natural living freelance writer until April 2015 when she founded the It's Your Life natural living magazine.

She not only started the magazine, but wrote articles and interviewed individuals dealing with every day issues naturally. The first issue is still the most popular featuring an interview with Kathleen DiChiara who was able to rid her son of all signs of autism.

In September 2015 Joyce became the host of a natural living podcast which can be found on the website under "About Us" along with her blog and past issues of the magazine.

Joyce is currently working to become certified in creating organic skin care products. hborganicskincare.com

My Mission

My mission is to educate and teach others how to live a happy healthy natural life. We have been given everything on this earth to aid us with maintaining a healthy mind, body and soul. However, if we do need to heal from an ailment we need to know how to do so and how to find the best method for us. We are all different.

Be sure to visit the Heavenly Bodies website for your skin care needs.
